

Flex Step Anti-Fatigue Mats

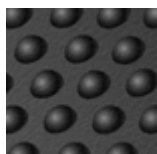

Flex Step Anti-Fatigue Mats are commercial-grade rubber anti-fatigue mats that offer enhanced comfort in any wet or dry environment thanks to their dome construction.

- The bubble surface pattern found on these 3/4" thick Flex Step mats provide enhanced ergonomic feel for improved comfort and more stress relief to muscles and joints.
- Flex Step Mats are skid-resistant due to their all-rubber construction and have beveled edges for added safety.
- These all-rubber mats are received the APMA (American Podiatric Medical Association) Seal of Acceptance for promoting foot health as well as being certified 'High Traction' by the National Floor Safety Institute (NFSI).
- Easily clean these FlexStep anti-fatigue rubber mats by shaking out, sweeping, or hosing down for a deeper cleaning.
- Environmental Green Rating: 50% Recycled Content.
